I've run out of time to finish and polish my comments but wanted to get them to all of you before leaving for vacation (out 8/11, back 8/23). Sorry if some of these are redundant or not well-crafted; just trying to get something down on paper. I'm hoping there will be time during the first week of September for us all to meet to discuss everyone's comments before we send a final version to the State.
